The following graph shows the points for clients who were invited to apply in the 6 September 2017 round.

Invitation process and cut offs

The highest ranked clients by points score are invited to apply for the relevant visa. For clients who have equal points scores, the time at which they reached their points score for that subclass (referred to as the visa date of effect) determines their order of invitation. Expressions of Interest with earlier dates of effect are invited before later dates.

Visa Subclass	Points score	Visa date of effect
Skilled - Independent (subclass 189)	65	03/08/2017 3:09 am
Skilled - Regional Provisional (subclass 489)	60	05/09/2017 6.17 pm

Due to high levels of demand, and in keeping with previous years, the below occupation groups will be subject to pro rata arrangements to ensure availability of invitations across the programme year. SkillSelect first allocates available places to **Skilled – Independent visas (subclass 189)** and then the remaining to **Skilled – Regional (Provisional) visas (subclass 489)**. If all places are taken up by subclass 189 visas then there will be no invitations issued for subclass 489 visas in these occupations.
